FEATURES

Semi-Professional Grade

It is ideally suited for occasional use in small-scale or light-commercial cleaning scenarios.

Pressure Adjustable

To prevent damage to delicate surfaces by matching the pressure level, enhance cleaning efficiency and suite multiple scenarios.

Engine Emission Approved

The gasoline engine equipped on the pressure washer has obtained EURO 5 Emission Certification.

Steel Forged Wobble Plate

It offers superior mechanical properties, excellent fatigue resistance, high dimensional accuracy and life span.

Pump Head Thermal Protection

It protects the pump from over heating when in bypass, by release the hot water and cooling down the pump head.

10" Solid Wheels

Rubber powder solid wheels are features bearing-free, impact resistance, wear resistance and maintenance free.

SPECIFICATIONS

MODEL	DCAA-19/11A
Max Pressure	2800Psi / 193Bar
Rated Flow	3.0Gpm / 11.3Lpm
Pump Model	DAA-15063A, Brass
Power And Type	6.5hp/196cc, OHV
Shipping Size	71x40x47.5cm
Shipping Weight	38kgs
