

Professional Surface Cleaner

Connect to a high-pressure washer and use an aluminum spray bar that rotates at a high speed off the ground to clean the flat surface more consistently than the standard wands. It features a large cleaning path, with less fatigue and 10 - 20 times faster. It comes equipped with strong bristled brushes for long life and easy glide control. This surface cleaner is designed to eliminate operator fatigue while increasing safety. It can be used on decks, patios, sidewalks, driveways, pool decks, parking lots and any other horizontal flat surface.

MLFC-MD24

36-48-inch Dual Swivel Surface Cleaner

It combines two rotating swivels and makes a large cleaning path

Equipped with 24 "or 28" stainless steel surface cleaner, carry on frame with the possibility for function expansion, suitable for multiple scenarios and high intensity operation. 10" rear large wheel and 3" swivel can pass through rough roads. High pressure ball type switch valve.
